11th CITRUS RESEARCH SYMPOSIUM CHAMPAGNE SPORTS RESORT, DRAKENSBERG 21 - 24 AUGUST 2022

The 11th Citrus Research Symposium will be held at the Champagne Sports Resort in the Drakensberg from Sunday 21 August 2022 to Wednesday night, 24 August 2022. Situated in the tranquillity of the Central Drakensberg, boasting the most spectacular view of Champagne Castle and Cathkin Peak, lies Champagne Sports Resort (CSR). The hideaway's unique combination of convenient location, country club atmosphere, luxurious accommodation and friendly staff makes it an ideal venue for CRI's Citrus Research Symposia.

The symposium will this time give feedback on citrus research conducted for the southern African citrus industry during the previous four years, as a result of the postponement of the 2020 Citrus Research Symposium. This research has been conducted by researchers from CRI, several universities, the ARC and researchers from the private sector. The symposium will be attended by a wide spectrum of citrus industry role players including: citrus producers and their technical staff; citrus consultants (SASCCON); citrus exporters; the citrus nursery industry (SACNA); the Citrus Improvement Scheme (CIS); members of the CRI Postharvest Technical Forum (which includes citrus packhouses, the Exporters Technical Panel, the Cooling Working Group and the paper and carton manufacturing companies); PPECB; logistics service providers; the chemical industry; and delegates from other related industries such as the suppliers of spraying, fertilising and irrigation equipment.

This symposium will host international guest speakers as keynote speakers. WINFIELD UNITED will be the main sponsor. Other sponsored events will be the LAEVELD AGROCHEM Golf day, the UPL welcoming cocktail mixer and dinner, the RIVER BIOSCIENCE / XSIT Happy Hour & REEMOON Street Food Festival, the MBFI Sponsored dinner on the Tuesday evening and the SAPPI Gala Dinner and King Price Insurance entertainment evening.
